 3. For best result, change cleaning cloth frequently.
- DO NOT use on painted surfaces, waxed, polished, lacquered or varnished wood.
Not suitable for use on tinted windows.

PRODUCTS AND DESCRIPTION

Pre Wash & Stain Remover

Shinax Pre Wash & Stain Remover is a great help to remove tough stains like dirt, grime, food, gravy, wine, juice, tomato sauce, chocolate, makeup, perspiration and much more.

Safe for all colourfast washables, creases & pleats.

Directions for use: Always do a patch test first on materials which may use non-colourfast dyes. Treat stains while fresh. After one minute the clothing is ready for washing in the usual way. If stains are persistent, they may need a second treatment. Some old stains like rust, ink or dyes may be impossible to remove.

Multipurpose Spray & Clean

Shinax Multipurpose Spray & Clean is a fast acting formula that works to dissolve and lift grease to make cleaning easier and quicker.

Cuts through grease and grime and deodorises. Removes germs and disinfects.

Directions for use: Simply spray onto surface then wipe clean with cloth.

Use with confidence on: Benchtops, stovetops, walls, sinks, chrome, stainless steel, laminate, vinyl, and tiles.

Advice: Do not use on polished, varnished, or lacquered surfaces.
